Ushering Volunteers Wanted

The Worship Co-ordination Team would like to invite individuals to serve as ushers. This involves serving on a rotational basis or willing to serve during the summer months. Training is provided. Ushers help set the tone in preparation for the worship service, as well as assist with the smooth operation within the service.

Please contact John Fair at 613-823-9970 or fairmj@magma.ca if you have any questions or are willing to serve.

Photo Directory – Last Chance

In 2024, Parkwood released an updated photo directory in hopes that congregants would have a helpful guide to follow while trying to learn the names and faces of the individuals and families who attend the church.

In the last year, we have received many new members, adherents, and families who have become a part of our church family. In order for everyone to get to know each other better, we are once again offering the opportunity to have family photos and individual portraits included in the official directory as an insert. This is only available to those who do not have a photo in the 2024 directory.

If you are interested in having yours or your family's picture included in the Parkwood Photo Directory, there are two options. The first option is to email a photo (JPG format, please!) to the office administrator with the names of everyone in the photo. The second option is to contact the office administrator about setting up a time to have a photo taken, which will be offered starting today and up until **June 27, 2025**.

For any further inquiries or information about the photo directories, please reach out to the church office.
